Jl Pak Gatot I No.42A 173B, Gegerkalong, Sukasari, Kota Bandung

As a junior mobile app developer with experience in Flutter, I am seeking opportunities to apply my skills and knowledge in a professional setting. I am an undergraduate in informatics engineering and am eager to learn new skills and technologies to enhance my expertise and deliver high-quality products. I am confident in my ability to contribute to a team, and I am excited to take on new challenges.

Work Experiences

PT. Inovasi Karya Mahendra (INKARA) - Bandung, Jawa Barat   Mar 2022 - Jun 2022

Flutter Developer Intern

- Developed a prototype mobile app called Kantin Virtual for the Faculty of Engineering at Pasundan University
- Designed the user interface and implemented it using Flutter framework
- Worked independently to complete the project within a three-month internship
- Demonstrated the app to my field supervisor and received positive feedback

Education Level

Universitas Pasundan - Bandung, Jawa Barat   Sep 2018 - Dec 2023 (Expected)

Bachelor Degree in Informatics Engineering

Organisational Experience

Himpunan Mahasiswa Teknik Informatika - Bandung, Jawa barat   Sep 2019 - Sep 2020

Staff of Interest and Talent division

- Organizing activities that accommodate active students in the non-academic field.
- Developing and channeling the interests and talents of active students in the non-academic field
- Empowering active students who have achievements in non-academic fields
